# HOME COMING WEEK

## Spirit Week

This year's Spirit Week theme was "Movies," where each class selected a movie to represent and tie into the Oiler spirit. The dress up days consisted of Jersey Day, Decade Day, Twin Day, Movie Day, and Green and White Day. On the first day, students decorated their hallways in correspondence with their theme. On Wednesday, students gathered together to decorate their class float for the parade on Thursday. After the parade there was the annual bonfire and dance in the gym. On Friday, the students got pumped up for the game later that night. At the football game, the winners of the Spirit Stick were presented to the Seniors and the king and queen we announced.

The Little Mermaid

Revenge of the Puss

With a spectating trio composed of Bridget Burke, Austin Loehman, & Seralio Zarate: Elliot Bibar & Jonny Gutierrez discuss some serious business on the mean streets of New Padua. Patrick Stapinski is consulted about swimming by Juan-John Aceves at a bus stop in the city, and Macie Plavec deviously plots matricide against an oblivious Zarahi Gomez in the comfort of their living room. Under the sea, Donna Messer and Ashley Lupo join Alivia Jakubowski on her quest to attain legs. Meanwhile, a group of pias plots vengeance on a wolf who destroyed their homes.

The Science Olympiad team, especially the seniors, has achieved so much in the last few years. They have dedicated themselves to making Whiting a force in science and academics.

Mr Long

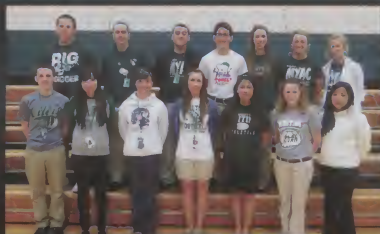

It was another successful year for Science Olympiad. The Whiting High School Science Olympiad Teams received 4 trophies/plaques and medaled in 102 events throughout the year. In sports terms, the varsity finished 162-24 for the year. The varsity also finished first at the Regional Invite while the Junior Varsity took second, which is the first time that had ever happened. Varsity placed third at state for the third year in a row, and only 8 points from going to Nationals, their closest finish ever.

## ON YOUR MARK, GET SET, GO!

After a long, tiring summer the Oilers finally set their goals for the cross country season this year. Hoping to win Sectionals and advance to Regionals, the Oilers pushed themselves in every race to better their times for the season. Many of the runners on both the girls and boys team met their personal goals for this season. The Oilers placed first at the Clark East Chicago Invite at Forsythe Park. The Oilers then traveled to Wheeler where both the girls and boys placed in third place. Also, the number one runners on the girls and boys team placed on the Second Team All- Conference. The next week at Sectionals, the Oilers unfortunately fell short of advancing to Regionals. Most of the runners for the Oilers did meet their personal goals.

"This was an overall successful season. Both the girls and boys had their best race at Conference. When you have the whole team do their best, you know you are doing something right."

-Coach Kevin Moynihan

All summer long, the Whiting Oilers practiced faithfully everyday to improve their skills on the field. The Oilers kicked off their season with a scrimmage against Noll, which they won without a problem. On August 18th, the Oilers geared up for The Battle of 19th Street. The Oilers fought and said "peace out!" to the Pioneers. The Oilers won 47-0. The battle was the ultimate game to pump the team up for their season. They kept their game strong with the support from their fans. The Oilers went on to be undefeated! They beat their last opponent River Forest. That night the Oilers were awarded Conference Champs of 2012!

## The 2012 Volleyball Season

The Lady Oiler volleyball team finished their season with a smile as they ended their record over .500. The team fought hard and finished every game with intensity. This year the Oilers expressed a lot of heart and teamwork as each member was good friends with one another. Their athletic ability definitely showed on account of their amazing record. The Oilers also won the WCHS Volleyball Invite. The team prepared for sectionals with long hard practices and ended up winning the first round against the River Forest Ingots. The Oilers advanced to the championship where they didn't quite come out on top against Wheeler. The Lady Oilers ended with a record of 21-7 and came in second place overall for Conference.

# L.E.T.S G.O!

The returning cheerleaders welcomed many new faces to the squad. The girls practiced very hard and the new cheerleaders caught on quick. The squad practiced stunting and learning new cheers. Although the squad did decrease in size for basketball season, that did not affect the girls. They stunted at every game and supported our basketball team. The girls also performed a dance during half time at one of the basketball games. The girls always try to pump up the crowd as best as they can at every game. The squad had bonded very well over the season.

## SWOOSH

The 2012-2013 season was a learning experience for the Whiting Oiler's basketball team. The season started with a tough loss to Whiting's rival, Clark, but the team grew stronger and closed the gap little by little until the arduous Gary Lighthouse game in which the Oiler's won by one point in triple overtime. There were a lot of close games that literally had fans at the edge of their seats until the final seconds of the game. The Oilers succeeded in another win against North Newton later in the season. Mr. Milenkoff was proud of his team for never giving up the fight and looks forward to improving for next year's Oiler basketball season.

This season has been tough because I was the only returning starter from last year, and we just did not have a lot of experience as a team. I feel like we all worked hard though, and we have competed in every game. I know the record didn't show it, but we have improved and tried all year long. ## 2A Sectional 33 Champions Lady Oilers: 20-4

The Lady Oilers started off the 2012-2013 season with an 11-0 record defeating big teams like Boone Grove 61-55 in overtime and Bowman by a 12-point margin. These were just some of many accomplishments this year. Unfortunately for the Oilers, they faced their first defeat during the Hanover Central Holiday Tournament at the end of December. Bouncing back from the loss, they defeated the Wheeler Bearcats by a 15-point margin; but after a tough battle into overtime, the Oilers were defeated by Bishop Noll. The Oilers then defeated two teams to advance to the GSSC Championship against Bishop Noll for the second time; the Lady Oilers were defeated again. As they say, "third times the charm," did apply for the Oilers when they were able to advance to the Sectional 33 championship to face Bishop Noll for the third time. Having a big chip on their shoulders and more desire in their hearts, the Lady Oilers defeated Bishop Noll 65-48, becoming the Class 2A Sectional 33 champions! This accomplishment is only the second time in Whiting High School's history that the Oilers were Sectional champions, but it was the first time in history that they were Class 2A Sectional champions. The Oilers had to end their season 20-4 while facing Boone Grove for the second time this season during the first round of Regionals. Although sad that the season is over, the accomplishment of making history for the Whiting High School was satisfaction enough and set the tone for upcoming years with hopes of this accomplishment again.

“

Coaching this year was the best experience of my life. Of course I was happy during the wins and losses, but the main reason this year was the best experience of my life was watching the people I respect and admire so much have so much success.”

Coach Kevin Moynihan

## Let the meets begin

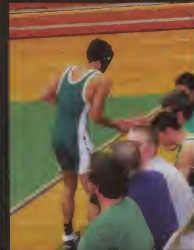

The wrestling team started off very strong in the beginning, with many wrestlers on the team. Unfortunately, after only a few matches the team started to decrease in team members. The wrestlers that did stay on the team worked very hard to better themselves. There were three members who participated in sectionals.. Zach Szmuc, who took 4th place, Dale Foster at 5th place, and Frank Rossodivito at 6th place. Zach Szmuc was also a regional qualifier.

## TAKE ME OUT TO A BALLGAME...

Continuous rain and terrible weather did not stop this baseball team. Even though most this season's games were unfortunately rained out, the Oilers were faced with many challenges and overcame various obstacles. The Oiler baseball team had a roller coaster season. Battling out most of the intense competition, the Oilers finished the season with a winning record: 13 wins, 12 loses, and one tie. Losing a senior catcher did not stop them as freshman AJ Fruth stepped up to the plate. The Oilers played against Bishop Noll in the first round of Sectionals and lost 2-9. The team will lose four seniors next year: Tom Hildebranski, Zack Branham, Josh Sparks, and Nick Filipek.

# Oiler up!

The Lady Oilers had a lot on their shoulders because of the amount of success last year. The tennis team lived up to everyone's expectations and maybe even surprised a few more. The Oilers finished their season with an outstanding record of 15-4 and went on to add another Sectional under their belts. After beating Andrean in the first round of Regionals, the Oilers went head-to-head against Munster in the championships. Although the Oilers were just short a victory, they are looking forward to facing them against next year!

## A Swinging Success

2013 proved to be another great season for the WHS golf team. The team was mostly lead by Senior Sam Novak and Sophomore Jake Jacobson. Like any sports teams, it had its ups and downs, but in the end the team pulled through and showed that great Whiting spirit we all know. Each of the golf players is happy that they played this year, and the seniors couldn't have asked for a better final year with one of the the sports they cherish most.

## Lady Oiler Softball Ends Successful Year 21-5

After not meeting expectations last year, the Lady Oilers exceeded all expectations with a winning season of 21-5. The Oilers have had some big key wins during the season and both the girls and the coaches are already looking forward to next year with big goals in mind. Among some of the accomplishments that the Oilers have had, they have beaten many teams by a margin of ten or more runs. Some of these games include Calumet (18-0), River Forest (11-0), Marquette (14-0), Plymouth (11-1), Calumet (14-2), River Forest (14-3), Marquette (13-1), Morgan Township (11-0) and St. Francis (12-2). The Lady Oilers had also beaten some teams by just a couple of key runs that led to their success. Some of these games include Lake Station (3-1), Pioneer (4-1), Wheeler (2-0), Lake Station (2-0), North Newton (1-0), Washington Township (9-6), Gavitt (3-2), Clark (8-4), Clark (3-1), Kouts (9-1) and Westville (4-3). Although the Oilers were full of success this year, they suffered some losses. The first loss (3-1) was against Wheeler. Then two of the losses (3-7) and (0-4) were against Bishop Noll. The fourth loss (0-5) in the season was against North Newton. As the season came to end, sectionals was approaching and the sectional drawing had declared that the Oilers would face Bishop Noll in the first round; the team who had defeated them twice before. After a long eight winning game, the Oilers ended the game victoriously, defeating the Warriors 3-2. The Oilers advanced to play against Wheeler, whom they beat and lost to previously in the season. Remaining tied until the bottom of the seventh inning, the Oilers had lost 2-1. Despite the season being over, both the returning players and coaches are already looking forward to next season. Good luck to the Lady Oilers!

*This softball season will always stick in my memory of great years because of what we accomplished. Having a losing season last year and then winning 21 games this year is a huge accomplishment. I will never forget beating Bishop Noll in the sectionals after we lost to them twice during the year. Beating them in dramatic fashion with a walk off win in the bottom of the seventh was fantastic.*

*Coach Paul Larib*

## Reflector's Senior Advice

"Enjoy the little things in life and live every day to its fullest. Love the moments with your best buds and do your very best every day."

-Abby Bondi

"High school is where you'll have your lasts and get ready for your firsts. Be able to look back on it and remember it forever." -Marcilena Nodal

"Don't worry too much about your future. Live in the present, and everything will fall into place." -Katie Wheeler

"High school will bring out the best and worst of you. Surround yourself with good people and have fun! Don't take it so seriously because it'll be over before you know it." -Adrianna Graciano

"Don't let the little things bother you. Shake it off and keep going. Four years will fly by fast." -Roxy Maslikowski

"Even though high school doesn't seem too fun while you're in it, make the best of it because it will be the biggest memory when you're older. Drama and homework stink but you'll get through it. Always be you and never change for anyone." -Desiree Kristek

"Keep your chin up, be involved, and most importantly be yourself. People will love you for you." -Katie Shannon

"Never procrastinate because you'll end up regretting it later on. Avoid drama because it isn't worth caring about. Enjoy your high school years by making memories you'll remember in the future." -Adrianna Hopson

"You have your whole future ahead of you so don't believe everything you hear and take chances even if you risk getting hurt. Smile and mean it because one day you're going to look back on these high school years and remember them forever." -Delaney Michniewicz

"I can't believe high school is over. It was awesome and I'll really miss it. Enjoy it while it lasts!" -Patrick Stapinski
